Uniform Policy

Your Child – Our Mission

Learning Today – for Tomorrow

The Uniform Philosophy

- At GIS Monza we have a daily uniform and a uniform for PE/Yoga.
- The purpose of the uniform is to have an identity for the school but also to avoid having to plan daily outfits and competition between students on who is wearing what!
- This presentation explains the different options available.

Uniforms can continue to be purchased in school until stocks run out or from our new provider Coccobaby. https://www.coccokid.com/appweb/

It is not compulsory to buy all the items you see here. You can select with your child based on their likes/dislikes/comforts.
